

HAVELOCK NORTH INTERMEDIATE ENROLMENT SCHEME

The Board of Trustees and staff at Havelock North Intermediate School are committed to providing quality education for all children at the school. There is an optimum roll figure for the school above which the quality of education delivered might be diminished. This figure is determined by the available resources including personnel, buildings, ground and facilities. The enrolment scheme aims to avoid overcrowding by restricting the number of children to be enrolled at the school. The Board of Trustees is satisfied that:

1. unless an enrolment scheme is put in place there might be overcrowding at the school;
2. the purpose of the scheme is to avoid overcrowding at the school; and
3. the scheme will not have the effect of excluding from the school more prospective pupils than necessary to avoid overcrowding at the school.

Roll:

To avoid overcrowding at Havelock North Intermediate School, the optimum roll is 610 pupils. Within this overall number, for out of zone enrolments guidelines of 305 in each of Years 7 and 8 have been established to avoid imbalance in the school roll and to provide for delivery of quality education.

Havelock North Intermediate School's Enrolment Scheme shall:

1. Maintain the highest possible standard of education delivery to the children attending the school.
2. Avoid overcrowding.
3. Ensure undue pressure is not placed on the resources of the school.
4. If required, limit numbers of children enrolling using pre-established criteria.
5. Give priority to those children living in the school zone.
6. Maintain some flexibility in enrolments in order to not exclude more children than is necessary to meet the above objectives.

The Zone:

All children who live within the home zone described below and shown on the attached maps shall be entitled to enrol at the school.

Entitled to enrol at Havelock North Intermediate School will be those students who live within the area defined by a line commencing at the mouth of the Clive River and following the river upstream (West) to a point where it meets Pakowhai Road, proceeding south along Pakowhai Road, then right along Ruahapia Road to its intersection with Karamu Road North, right along Karamu Road North, left along St Georges Road to its intersection with Te Aute Road, right along Longlands right to its intersection with State Highway 2, left (South) along State Highway 2, then left along Stock Road, right along Mutiny Road, right along Middle Road to Te Aute Trust Road, then a straight line south-east to the coast at Maungakuri Beach, then north along the line of the coast to Cape Kidnappers and then west along the coast to the mouth of the Clive River.

Proof of residence within the home zone may be required.

Out of Zone Enrolments:

Each year the board will determine the number of places likely to be available in the following year for the enrolment of students who live outside the zone. The board will publish this information by notice in a daily or community paper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

If there are more applications than places available, applications for enrolment will be process in the following order of priority.

First Priority This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary of Education.

Second Priority will be given to applicants who are siblings of current students.

Third Priority will be given to applicants who are siblings of former students.

Fourth Priority will be given to applicants who are children of board employees.

Fifth priority will be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by ballot conducted in accordance with instructions issued by the Secretary of Education under Section 11 G(1) of the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.
